### STAFFING AUGMENTATION

Payroll Financing

Our end-to-end staffing solutions improve workforce flexibility and boost company performance. Through valued partnerships, we provide professional contingent and emergency staffing, direct placements, and temp-to-hire programs. We have successfully supported major projects across industries including construction, accounting, finance, transportation, healthcare, and IT.

### GENERAL CONTRACTORS

GC# 75274  
Takeoff (MTO|QTO) & Estimating

Our general contracting firm specializes in small residential, commercial, and government construction projects. We are dedicated to safety and high-quality craftsmanship. We leverage our staffing augmentation division to scale operations efficiently, ensuring projects are completed on time and within budget.

### WORKFORCE DEVELOPMENT

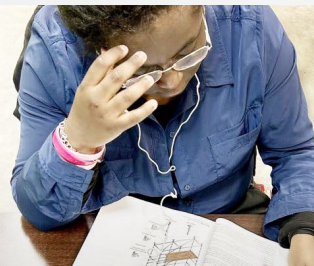

NCCER Accredited  
DOD SkillBridge Authorized

Our vision is to build talent pipelines through training programs that lead to long-term employment, higher wages, and career advancement. We provide opportunities for a wide range of candidates, including transitioning service members, to gain valuable work experience. As an authorized DOD Skillbridge organization, we enable businesses to source skilled military talent directly through our programs.

### SKILLED WORKFORCE COLLEGE

A 501(c)(3) Organization

Our high-quality, no-cost programs provide foundational and trade skills for careers in construction, empowering participants to reach their potential and lead fulfilling lives. We offer an inclusive environment with vocational training opportunities for women, minorities, at-risk youth, underserved communities, and justice-involved individuals.
